ABOUT THE CITY OF RIALTO UTILITY ASSISTANCE PROGRAM

In response to the harsh economic impact that COVID-19 has had on residents, the Rialto Utility Assistance Program will offer one-time utility assistance up to \$210 (\$70 per month) to help renters/homeowners in the City of Rialto. Financial assistance will be offered to low/moderate income households who rent/own in the City and have experienced loss of income due to the COVID-19 pandemic. The grant program is made possible with federal Community Development Block Grant CARES Act (CDBG- CV) funds from the Department of Housing and Urban Development (HUD), therefore residents must meet all requirements to be eligible for the program. Applications are processed on a first come, first served basis until all funding is allocated (No Deadline Date). Payments will be made directly to utility provider.
