Turn Over for Special Inspector Procedures

Special Inspector Instructions

- 1) Special inspectors will be required to present photo identification and provide 2 copies of their ICC certification directly from the ICC Website with the specific discipline to City Staff upon registration.

Examples of disciplines:

- Reinforced Concrete
- Structural Steel and Welding
- Structural Masonry
- Torque Testing
- Grading
- Wood
- Other

Example directly from ICC Website

The screenshot displays the 'Verified Candidate' interface on the ICC website. At the top, there is a banner with the text 'Verified Candidate' and a background image of a building under construction. Below the banner, there is a profile card for the candidate, which includes the ICC logo, the text 'INTERNATIONAL CODE COUNCIL', a silhouette of a person, and a QR code. To the right of the profile card, there is a 'Search Again' button. Below the profile card, there is a table of certifications:

Customer Name:	Inspector Name
Account Number:	Inspector number
Certifications:	
Expires:	
03/19/2022	Structural Masonry Special Inspector
