EXECUTIVE SUMMARY

Background

Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act and the President signed it on March 27, 2020 authorizing \$2.2 trillion in a variety of stimulus measures to prevent, prepare for, and respond to the COVID-19 pandemic. The law includes a special allocation of the Community Development Block Grant (CDBG-CV) to enable communities to effectively address the impact of COVID-19 on their communities, especially low- and moderate-income residents. This substantial amendment No. 6 to the City's 2020-2021 Annual Action Plan will account for the revision of proposed budgets to be carried out with the City's CDBG-CV funding from the U.S. Department of Housing and Urban Development (HUD); totaling \$1,339,584. It should be noted that the City's previous Substantial Amendment No. 5 was passed by City Council on June 14, 2022.

Sources

The City of Rialto's summary of grants from HUD under the CARES Act are identified below as:

• Rental/Mortgage/Utility Assistance	\$760,000
• Small Business Storefront Assistance	\$200,000
• Workforce Development/Job Creation	\$ 57,162
• Food Insecurity	\$100,000
• Personal Protective Equipment & Hot Meals for Rialto Senior Citizens	\$ 25,260
• The Social Work Action Group (SWAG)	\$197,162

These funds are separate and distinct from the City's regular CDBG funds and must comply with the requirements summarized in 24 CFR § 570 and the flexibilities authorized in the CARES Act and summarized in Federal Register Notice 6218-N-01. The Rialto City Council is responsible for determining how CDBG-CV funds will be used to prevent, prepare, and respond to the COVID-19 virus. In consultation with the City Council, City departments, and partners serving the needs of low- and moderate-income in the community, this submission to the City Council requests approval to invest CARES Act funding for the CDBG-CV project listed below.

Proposed Revisions of Community Development Block Grant (CDBG-CV3 funds)

The Substantial Amendment No. 6, Budget Amounts to CDBG-CV Activities within the 2020-2021 Annual Action Plan, provides the following recommendations:

- Decrease the Rental/Mortgage/Utility Assistance activity by \$200,000 and create a new activity of Warming Centers (providing vouchers to the houseless community) and funding that activity in the amount of \$200,000. The warming center program will be intended to help find a room at a local motel for the City's unhoused population during the cold nights. This will help with reducing exposure to COVID-19.

PROCESS

Per the City’s approved Citizen Participation Plan, the Substantial Amendment was available for 30 days for public review and comment.

The review period began on March 27, 2023 for the public hearing regarding the substantial amendment held on April 25, 2023. Residents can participate in the public hearing by submitting public comments to the Rialto City Clerks office or in person at City Council Chambers. Residents will also be able to view the meeting, watch it livestreamed on the Rialto Network Spectrum Channel 99, or online at <https://www.yourrialto.com/>.

To encourage review and comment on the proposed activities, the City of Rialto published notices advertising the substantial amendment on the City website, and social media accounts. An electronic copy of the amendment was available on the City website and hard copies were made available at the City Administration offices.
